UPCJ Campsite Development Project Reaches Significant Fundraising Milestone

The United Pentecostal Church of Jamaica (UPCJ) Campsite Development Project is thrilled to announce a significant update on the ongoing fundraising efforts. As of December 31, 2023, the project has successfully collected \$12,255,389.99 (JMD) towards the financial goals.

The Campsite Development Project, a monumental initiative to enhance the UPCJ's facilities and expand its outreach capabilities, has captured the attention and support of its dedicated church community. Through the generosity and commitment of its members, friends and a philanthropic family, the project has made remarkable progress towards realising its vision.

As the project progresses, it is important to reiterate the financial objectives of the project:

Goal 1: Design, Approval, and Site Preparation

The first financial milestone is set at \$17,000,000 (JMD). This crucial step lays the groundwork for the entire project, ensuring the necessary plans and permissions to proceed with construction.

Goal 2: Construction of Multipurpose Conference Centre (Auditorium)

The construction of the Multipurpose Conference Centre, envisioned as a central hub for fellowship, worship, and community engagement, requires a total investment of \$584,450,000 (JMD). This phase represents the culmination of efforts and will serve as a testament to the collective dedication and faith.

The UPCJ is immensely grateful for the contributions received thus far but recognises that much work still needs to be done. As such, all members of the United Pentecostal Church of Jamaica and the diaspora are encouraged to continue supporting the Campsite Development Project in whatever capacity they can. No matter the size, every donation brings the body closer to achieving the shared goals.

Together, we have already achieved much, and with the continued support, we are confident that we will see this project come to fruition.

For more information on how you can contribute to the Campsite Development Project, please contact the Campsite Development Committee at upjcampsiteproject@gmail.com.

Thank you for your unwavering commitment and dedication to advancing our organisation.
